ORDER APPROVING UNCONTESTED SETTLEMENT

(Issued April 6, 2006)

1. On February 13, 2006, Florida Power & Light Company (FPL) filed a Settlement Agreement (settlement) by and among FPL, Florida Municipal Power Agency, Seminole Electric Cooperative, Inc., and Tampa Electric Company, together with an explanatory statement. The settlement disposes of all issues related to interchange service involving FPL pending in the above-listed dockets. Comments on the settlement were due by March 6, 2006. No comments were filed.
2. The settlement includes Schedules AF (Emergency Interchange Service), BF (Scheduled Maintenance Interchange Service), and DF (Outage Interchange Service), attachments to FPL's interchange contracts (Interchange Agreements), which are on file

with the Commission. The settlement does not include the revisions to the Interchange Agreements themselves, which, under the settlement, will be filed under section 205 of the Federal Power Act, 16 U.S.C. § 824d (2000), after Commission approval of the settlement.

3. The settlement is in the public interest and is hereby approved and the rates submitted with the settlement are accepted for filing. The Commission's approval of this settlement does not constitute approval of, or precedent regarding, any principle or issue in this proceeding. The Commission retains the right to investigate the rates, terms and conditions under the just and reasonable and not unduly discriminatory or preferential standard of section 206 of the Federal Power Act, 16 U.S.C. § 824e (2000).

4. The service schedules included with the settlement filing will be made effective on the date of this order, except that Tampa Electric Company's services to FPL under the service schedules shall become effective on the sixty-first day following the date of Tampa Electric Company's compliance filing pursuant to Section II.E of the settlement., Tampa Electric Company is to make that filing within 60 days of issuance of this order.

5. This order terminates Docket Nos. ER93-465-038, ER93-507-008, ER93-922-018, EL93-28-009, EL93-40-009, EL94-12-013, EL94-28-007, EL94-47-007, OA96-39-015, ER96-2381-006, ER96-417-007, ER96-1375-008, OA97-245-008, ER99-723-005, ER99-2770-003, EL99-69-002, EL00-13-001, and DR98-24-001.<sup>1</sup>
